Let's Spend Time Together: Salad, Pasta & Fruit

Paula E. Font & Teresa Bellón

Let's spend time together is a **pull-the-tab** series of three animated boardbooks, *Salad*, *Pasta* and *Fruit*, for **1- to 3-year-old children**. This series aims at making children become familiar with everyday food, either whole or already cooked or chopped, as well as various words, such as food names, cookware and specific verbs. It is also intended to engage children in the **cooking process**, understood as a **fun time to enjoy together**, and to help them develop healthy eating habits.

Selling points

- Ideal to play, learn and enjoy the cooking process with the whole family.
- A series to reproduce and learn actions with simple mechanisms.
- Following baby-led weaning method, to promote children's autonomy.
- Encouraging healthy eating habits.
- Simple and friendly illustrations, with bright colours.

Marketing materials

- Special action with booksellers: free kid's apron with the purchase of all three titles.
- Series brochure.

Author: Paula E. Font

Illustrator: Teresa Bellón

Format: Board book

Size: 17 x 17 cm

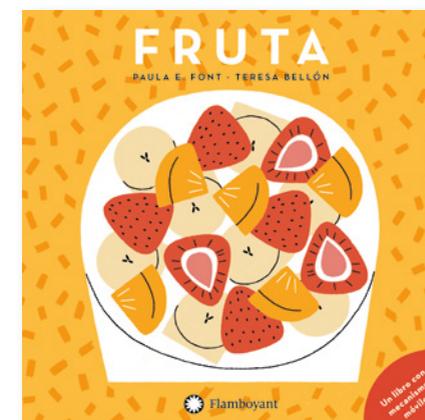

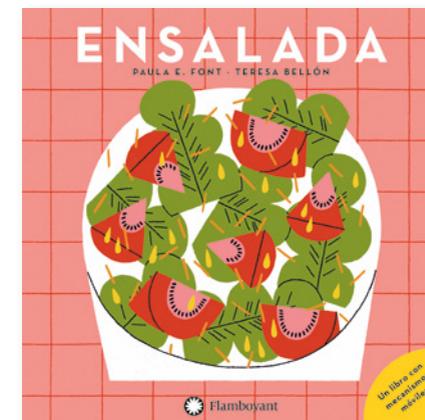

Pages: 10

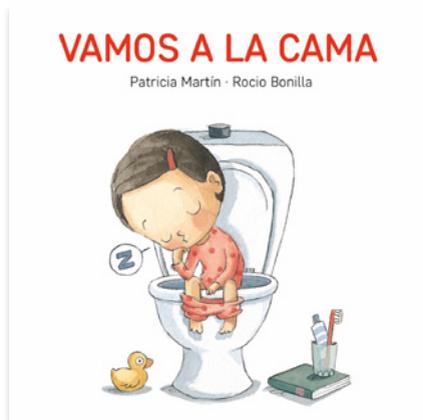

Age Level: 1+

Publication date: March 2020

Paula E. Font is a children's book editor. She studied Illustration and Fine Arts and later on she pursued a MA in children's and YA literature from the Banco del Libro de Venezuela and the University of Barcelona.

Teresa Bellón studied Art History and a course on Illustration at the Art 10 School in Madrid. She has worked in many national and international projects. She has 33K followers on Instagram and her illustrations are commercialized on linen and houseware.

Cherry Girl

Alejandro Palomas & Albert Arrayás

Gia and Yuki spend their days in their Snowed Garden among the blossomed cherry trees, counting Gia's freckles one by one and gazing at the stars with Yuki's telescope.

One day, a cherry tree sets roots somewhere unexpected, and grows bigger and bigger every day. Both friends will have to make a hard decision...

Will they cut it down or will they set it free?

Selling points

- A magical and tender story about friendship, and open to many interpretations.
- A warm and joyful perspective on grief and loss through emotional and gentle illustrations.
- Has a handful of parallels with *The Little Prince*, and all the elements to become a timeless tale.
- Poetic text by international bestselling author, Alejandro Palomas, awarded with the Young Adult Literature National Award.
- **Internationally published writer:** his work has been published in 22 languages.

A tender and timeless tale by international bestselling author Alejandro Palomas.

Alejandro Palomas has an English Philology degree and a MA in Poetry from the New College of San Francisco. He's a journalist, translator and writer. In 2016 he received the Young Adult Literature National Award, and he was also awarded the Premio Nadal in 2018 for a trilogy.

Albert Arrayás has worked as an illustrator since he finished his degree in 2012, has already published more than 30 books and worked with magazines, fanzines and companies. His artistic work is characterized by his pencil stroke and his watercolor stains, and recognized for the sensitivity and emotion that it conveys.

Mauverine

The Mauverine Series

Susanna Isern & Laura Proietti

The first title of a **new series of novels for early readers** by bestselling author Susanna Isern!

Meet Mauverine, a **brave nine-year-old girl eager to become a witch**. She decides to take control of her fate and pays a visit to the three witches ruling over her town, feared for their terrifying spells. Willing to find an heiress, they train Mauverine to become one of them. Magic potions, steaming cauldrons, flying brooms and spooky spells...

Will Mauverine fit the description of an **ordinary witch**...?

Or will she make her own rules?

2ND TITLE EXPECTED IN FALL 2022

Many more adventures to come...

The first title of a new series by bestselling author Susanna Isern!

Selling points

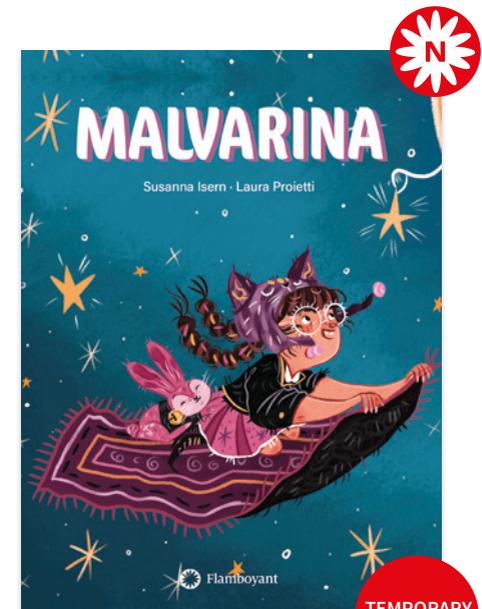

- A **riveting and comforting page-turner** with an unexpected twist.
- A **fully illustrated novel** ideal for early readers between 7-8 years old with adorable illustrations.
- First title of an exciting series by the bestselling author Susanna Isern.
- A tender and funny way to talk about originality and authenticity.
- **Internationally published writer:** her work has been published in more than 18 languages.

By the same author

Susanna Isern is a prolific children's books author and a psychologist. Most of her works have been translated in about fifteen languages. Her picture books have been awarded several times at the Moonbeam Children's Books Awards (United States). She heads a medical office and is a professor of the at the European University of the Atlantic.

Laura Proietti is a promising Italian illustrator. She studied Illustration and Animation in Palermo (Sicily) and since then, she has illustrated many books. She has mainly illustrated classic fables and natural elements.

Sunakay

Meritxell Martí & Xavier Salomó

Sunakay, an **absolutely spectacular** fiction picture book, is an **ode to our sea and a hymn to the need to protect our planet.**

The sea has become a huge waste dump, devoid of marine life. Two sisters manage to survive on a plastic island. With their raft, they plough through waste and rummage between piles of garbage in search of valuable objects – their only possible way of life. One day, Kay plunges into the water and catches a golden reflection... which will change everything and **trigger a powerful force to emerge from the deep sea...**

The most ambitious project of its authors, which after many months of work culminates with a wonderful book.

The highly anticipated and dazzlingly illustrated, most poignant picture book by multi-awarded author and illustrator pair Martí & Salomó.

Selling points

- National and international bestselling creative tandem.
- A brilliant consideration on the need to take care of the environment, the consequences of our actions on the Planet Earth but, above all, a hymn to hope.
- All ingredients to become a contemporary classic: heartening, magical, intriguing, thoughtful.
- Breathtaking and inspiring watercolor illustrations.

By the same authors

Meritxell Martí holds a Bachelor of Arts degree in Humanities and a Graduate degree in Classical and Contemporary Music. She has been teaching Art, Cinema and Literature for 10 years. She obtained her PhD Cum Laude on Art on the Internet. She is currently studying Master Remind degree.

Xavier Salomó holds a Degree in Arts and Design, where he received the Extraordinary Award for his dissertation in the category of engraving. He received the Junceda Award in two occasions by the Professional Illustrators Association of Catalonia.

Multiple layers of meaning in an apparently simple story full of love.

An apparently simple encounter at sea reveals the **inner conflict of the two main characters**: shame, fear, rejection... There is only one thing to do: diving to the depths of the ocean, seeking hidden treasures, and looking attentively with eyes wide open. Just like that we may discover what we are capable of, **how wonderful life** is and **what really matters**.

Selling points

- National and international bestselling creative tandem.
- A brilliant take on ability, autonomy, and specially self-esteem.
- Beautiful and inspiring watercolour illustrations.

Marketing materials

- Teaching guide available on PDF.

An enthralling story about what happens when children defy adults.

It all started the day Paula decided to say no. **Saying no was great**. Paula could do whatever she wanted...until her greatest dream became a very wild one... Maybe she should have **followed her mother's advise**, shouldn't she?

Selling points

- The NO stage pictured in a humorous story in which children will have it easy to identify with.
- A bestselling tandem at their best.
- Funny and gorgeous watercolour illustrations.

Marketing materials

- Teaching guide available on PDF.

Alex Nogués is a writer and geologist specialized in groundwater and palaeontology. In the backyard of his house he has grown a small jungle where he tries to discover the amazing details of life. Between trills and starflowers, he writes books. Like any other child, he dreams of impossible things, until proven otherwise.

Raúl Nieto Guridi has worked in practically all fields of graphics, printing, design, and advertising. Since 2010, his work has been mainly focused on illustrations in children's publishing, posters and book covers. He gives on illustration and creativity. His books have been translated into a dozen languages and has received several international illustration awards, such as the recent Special Mention in the 2018 BRAW.

I Have a Role to Play

Everyone at the Table!

What's Happening to Me?

Marc Parrot & Eva Armisén

These books are filled with sensitive and rhymed texts, originally songs perfect to be read out loud, accompanied with poetical and pictorial illustrations where children will explore the **world of emotions, food and theatre**. We will discover that whatever feeling we experience, others also experience, that food is a very personal journey where you only need to search for what you like most and enjoy it to the fullest, and that every single task we carry out, as humble as it may seem, is essential for a spectacular result.

Among Intelligent Machines

CosiCosa & Ana Seixas

This non-fiction book gives a very wide and thorough picture on how **Artificial Intelligence has been shaping our world and societies ever since the beginning of our civilization.**

Through colourful and **playful illustrations**, it gives simple but **exhaustive explanations** on how AI machines were invented, their evolution throughout time and how they're designed and built.

It **also raises ethical and social questions**: why we need to make the industry more inclusive, and how intelligent machines shape our minds and change our behaviours. The book analyses the **limits of technology**, and what it means for **our freedom** and our **essence as human beings**.

Introducing the new generations to a more ethical and inclusive tech world.

Selling points

- Gives thorough insights on Artificial Intelligence and its evolution.
- Analyses its limits, its contradictions and its flaws beyond its undeniable qualities.
- Gives a critical view on ethics and inclusivity in the industry.
- Written by an international team of women specialized on raising awareness about technology to children.
- Gives the tools to build a better and more conscious tech industry.

CosiCosa is a women-led non-profit organization working to raise awareness about technology and its impact to children and teenagers. Their team is trained in STEM and social ethics, and they design and promote educational programs aimed at children to train the future generations to be critical users and dutiful designers of emerging technology.

Ana Seixas is a Portuguese graphic designer. She holds a degree in Design and a postgraduate course in Editorial Design, and she took the Specialization Course in Illustration for Children's and Teenager's Publications. She started as a graphic designer for The Guardian, Snapchat, Bloomsbury Publishing, etc. and now she dedicates her time to illustration work, such as collaborating with magazines, illustrating books, drawing for advertisement campaigns, packaging and other challenging projects.

My Home is Anywhere

Alba Carballal & Lorenzo Sangiò

Dwellings come in all shapes and sizes. A non-fiction picture book that explores how our culture, **society and lifestyle influence the way we design and build** our homes around the world and how this has changed throughout history.

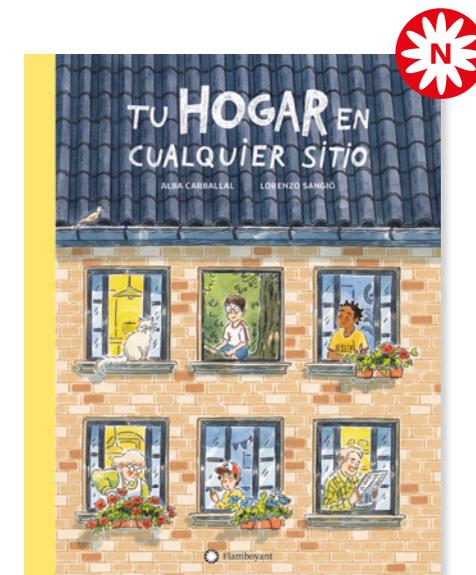

What do homes reveal about us and our culture?

Selling points

- A fun and thrilling take on the relationship between architecture and anthropology.
- Stimulating and fun facts about dwellings.
- More than a catalogue of different houses around the world: the focus is on how climate, place, economy, culture, etc. influence our homes.
- Written and illustrated with a global perspective.
- Perfect to understand the essential hows, whys, whens and whos of houses and its evolution throughout history.

Alba Carballalis is a writer and an architect. She has worked as a scriptwriter for various Spanish comedy programmes and for an international series, and has collaborated with various magazines and newspapers. She is currently a fiction scriptwriter. Her first novel, published in 2019, was critically acclaimed and was awarded the Best Opera Prima 2019 by El Cultural and shortlisted for the Dulce Chacón Award.

Lorenzo Sangiò graduated at the Academy of Fine Arts and continued to study illustration by following workshops around Italy and obtaining a Master's degree at the Ars In Fabula school. In recent years he has completely dedicated himself to the world of illustrated books, won several awards and exhibited his illustrations in Italy and France.

Domesticated Plants and Other Mutants

Iban Eduardo Muñoz & Alberto Montt

A book about edible plants which attempts to answer questions that you didn't even know you had. Have the plants we eat today always been edible? How have they changed throughout history?

If you plant a Canary Islands banana in Beijing, will it still be a Canary Islands banana or a Beijing one? Do people eat the same kind of food around the world? How can one plant and grow seedless watermelons? Could we get fruit to be tasty forever?

Wild plants: better or worse?

The evolution of edible plants: from the wild to the lab.

Selling points

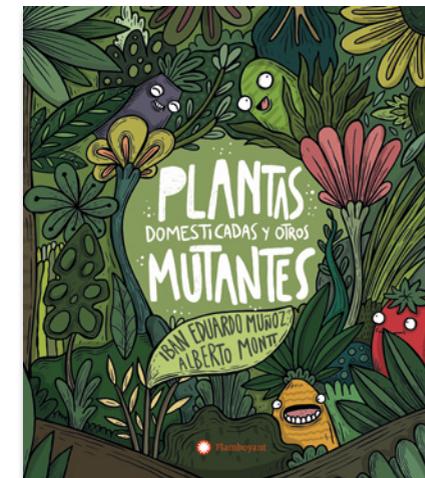

- A fun and hilarious approach to science, genetics and biochemistry.
- Amusing and informative text full of jokes that traces the emergence and development of domesticated plants.
- Appealing, bright and comic-like illustrations by well-known graphic humourist and cartoonist Alberto Montt.
- Ideal for inquisitive young readers willing to keep learning.
- Ideal for STEM curricula.
- Sold to 6 languages before its publication.

Marketing materials

- Teaching guide available on PDF.
- Foldable poster with information about the book and fun activities.

Iban Eduardo Muñoz holds a PhD in Biochemistry and Molecular Biology. He is part of IRTA, a research institute that aims at studying the genetics of vegetables and their evolution, with a focus on the domestication of crop plants.

Alberto Montt has published comic strips in his blog Dosis Diarias and has worked as a freelance illustrator for many Latin American publishing houses, advertising agencies and magazines. Since 2016 he works with the illustrator Liniers carrying out comical stand ups. He has more than 266K followers on Instagram.

A sensorial and memorable trip to promote respect for nature.

In this book children will learn about **how to plan a trip to the forest** and the **natural wonders** hiding there. What can they learn about the forest? A **short but engaging trip** that appeals to the five senses—one that will make both children and adults see the natural environment with a renewed outlook.

With the collaboration of the Natural Park of the High Pyrenees!

Selling points

- Perfect to encourage quality time with family in a natural environment.
- Texts and illustrations reviewed by a group of experts from the Natural Park of the High Pyrenees to ensure that they comply with current nature protection standards.
- To raise environmental awareness through the senses and work on the sensorialeducation.
- Colourful, lively and striking illustrations by a celebrated illustrator.

By the same Illustrator

Mariona Tolosa Sisteré studied illustration in Barcelona, where she learned traditional and digital illustration techniques. She has illustrated picture books, articles and posters and has worked designing lettering and fabrics.

A hilarious and informative trip through scatological elements from the human body.

Farts, poo, earwax, purulent pimples, stinky sweat... **Human bodies produce many fluids** which are both yucky and funny. Yet, how and when does our body do it? A hilarious non-fiction book that provides **grotesque and fun facts** about human excretions, with casual, colourful and expressive illustrations.

Selling points

- Stylish, energetic and expressive illustrations.
- Hilarious and insightful take on human fluids.
- Plain explanations full of humour.
- Relatable texts for children.
- Diverse characters.
- Fun facts.
- Bestselling author and promising illustrator.

Ramon Cabrera is a renowned writer of children's literature. He was script writer and songwriter for the Spanish Sesame Street, as well as other popular muppet shows. He has written many stories, illustrated novels and graphic novels. He is part of the Bono Bidari collective, which authored the collection *Me, Elvis Riboldi*, which was adapted as a TV series for children.

Cinta Arribas is a Spanish illustrator. She has created art for newspapers and magazines, and she has illustrated various children's books. In 2018 she received the Special Mention in Ilustrarte (Portugal) and has taken part in national and international exhibitions.

Markets have a long history! Be part of it!

Since ancient times, markets have played a central role in many societies: towns have grown around them, they have been a meeting point to socialize and exchange ideas and a place to trade food and other goods. You will here find interesting facts about markets: **wacky foods that can be found, people who work and shop there, different payment methods, types of markets...** and much more!

Includes a prologue by **Ferran Adrià**, one of the best chefs in the world.

Selling points

- Includes information about different markets around the world.
- With chef Ferran Adrià's endorsement.
- Written and illustrated with a global perspective.
- Perfect to understand the essential hows, whys, whens and whos of food markets.
- Much beyond a catalogue of food markets.

Josep Sucarrats is a food journalist, the director of a popular Catalan cooking magazine and part of the team of *Apart*, a magazine about the future of cuisine. He regularly collaborates with Ferran Adrià.

Miranda Sofroniou graduated from The University of the Arts London. Inspired by her travels she makes rich and colourful illustrations using traditional painting techniques and media. Miranda has more than 100k followers on Instagram.

A book to fall in love with Geology and the wonders of nature.

When admiring a landscape, we may see trees or animals, the fading colours at sunset, the appealing shaped clouds... but we rarely pay attention to rocks. Under this premise, Alex Nogués wisely guides us through the **mysteries of Geology**. And we greedily follow him as we need to find an answer to the question: **what are a million oysters doing on the top of a mountain?**

Selling points

- Science rigor meets storytelling.
- Atmospheric and precious illustrations for a thrilling and hilarious story.
- Includes a glossary of the main concepts.
- A must-read that will change the way you envision nature.

Marketing materials

- Teaching guide available on PDF.
